

Dear Applicant,

We trust below details are useful. If you need further information on our programme, please feel free to click on the  icon on the bottom right and connect with us directly.

We are happy to assist you!

### **Programme Objectives**

MAS Holdings launched the Summer Internship Programme to create awareness on progressive career opportunities in Sri Lanka that are on par with global industry standards.

- Globally Benchmarked: Compatible with international standards
- Attractive Opportunities: Introduction to a wide range of promising and progressive careers
- Well-Equipped: Providing students the necessary tools and guidance to meet the demands of the corporate world
- Unrivalled Exposure: To Sri Lanka's top tier corporate landscape and visionary leadership

### **Programme Summary**

The internship is a 06-week intense programme that:

- Fosters empowerment: Builds self-confidence by focusing on the individual's unique talents, interests, and passions, which reinforces their importance and worth.
- Instils future-ready skills: Focuses on modern workforce skills such as strategic thinking, innovation, lean management, reflection and collaboration.
- Enhances knowledge and business intelligence: Context specific modules based on the three corporate partners are embedded in all the training activities.

### **Where are these training opportunities located?**

In Colombo except for the visits to MAS Athena - Thulhiriya, Katunayaka, Kitthulagala, Biyagama and Negombo (Visiting locations are subjected to change)

### **Is this a paid internship?**

No. The value-creation of the internship comes with the exposure and experience gained by the participants, and the opportunities that are identified during the course of the programme.

**Does the internship give me University credit?**

No.

**Is summer housing provided by the company/ companies?**

No.

**How many interns are accepted in to the programme each year?**

12 - 15 interns.

### **Eligibility**

**Can I apply if I am not a citizen of Sri Lanka?**

We are looking at options to accommodate/provide opportunities for the global talent in future. Currently this programme is designed ONLY for Sri Lankan citizens.

**Are there any eligibility criteria in addition to citizenship?**

Yes,

- Undergraduates / Fresh graduates who are living abroad / following their degrees are eligible to apply
- Age: Generally, the range 18-24
- Education: Well-rounded personalities who have completed their second year of study (We encourage a diverse mix of participants)

**Is the summer program limited to specific majors?**

No.

**Is there a minimum GPA to participate in this program?**

No. However, entrance is competitive and is based on merit.

**Are students who are Sri Lankan citizens attending foreign institutions eligible to apply?**

Yes, they are the programme's main audience.

**I am enrolled in a Master's programme can I apply?**

No.

**I just finished my studies (Degree). Can I apply?**

Yes, if you are a fresh graduate, certainly you could apply.

## **Application Procedure**

**Can I update my application from last year?**

Yes.

**Will I be informed of the receipt of my application?**

You will receive an auto-generated email response.

**How soon will I be informed of the outcome of my application?**

There will be an update on your application status within 03 working days from the date you apply.

## **Post Application**

**After I apply, can I make changes to my application?**

No.

**How are applications reviewed?**

We follow a grading scheme for each application based on merit.

**How will I be notified if I am selected?**

Via email, followed by a phone call to the provided contact number.

**What are my chances of receiving a position in the Summer Internship Program?**

High - if you are a Sri Lankan undergraduate studying abroad with an exceptional, all-round track record across academic, sport and other extracurricular activities.

**How can I improve my chances of being selected for the Summer Internship Program?**

Ensure you are eligible and work towards the spelt-out criterion.

**Do I need to submit an official transcript even though I entered my grades into the electronic application system?**

No.
